

YOU'RE

INVITED

TWO MINUTES
OF CHAT & AN EARLY
SCREENING

Join Cheshire and Merseyside Cancer Alliance for the launch of their new Halton campaign '**Two Minutes of Chat & an Early Screening**'. This powerful campaign is all about encouraging conversations about cancer that lead to **early detection** and life-saving cancer screenings for Breast, Bowel and Cervical cancer.

Be one of the first to see the campaign film featuring **Will Mellor and Ralf Little**. A panel made up of industry experts and Halton Residents will help inspire you with hints and tips on how to **start the cancer conversations**.

Enjoy refreshments and the opportunity to chat about the campaign and get the conversations started.

Whether it's in the pub, park, cafe, library, office kitchen - or even at the bus stop - **a quick chat could be the start of something that saves a life.**

Let's get Halton talking. Come along and help turn two minutes into a life-changing moment.

SUSAN NICKSON

RALF LITTLE
AND WILL MELLOR
